

Meeting #1

Date: 27.10.2020

Place of the Meeting: P35 - OsloMET

In this meeting we discussed what kind of FN goal we were going to use, after that we decided the idea. We also discussed website design ideas, where we all agreed on design. We also did some setup during this meeting, we set up our Github and the basic website. Lastly we decided some tasks for everyone to make sure everyone was working
